

CHILDREN'S MINISTRY

Before you fill up that family calendar, leave plenty of room for your children's Christian education.

September 12th is the kick off Sunday for the Fall at GPC. We will celebrate with our traditional **Pancake Breakfast** followed by a short introductory Sunday school class.

We have fun, insightful teachers working from wonderful curricula, and a solid core of children. This Fall we will start a hand bell choir for ages 5 and up. We will continue our music program, and our strong Mission programs. Your children will want to be a part of the fun, but **you** have to bring them!

We are also strongly encouraging you to volunteer as a substitute teacher. It is very easy and quite rewarding. There are also many annual events that need a leader: Pumpkin Painting, Walk for the Homeless, Christmas Pageant, Valentines, and others. As Linus says in *A Charlie Brown Christmas*, "what you need is involvement!"
