

Reaching Out Through Planned Giving

This past May, we announced that the Session had approved a program for better informing the congregation about the opportunities for Planned Giving to benefit GPC. Planned Giving can ensure that your gift will reach future generations of those who need a hand, or bring hope where there had been no hope before. We introduced the concept of Planned Giving by emphasizing the importance of having a will. We asked that you prayerfully consider leaving a gift in your will to GPC.

In order to continue to provide relevant information to members of the congregation concerning how to be better stewards of accumulated financial resources so as to benefit each church member and his/her heirs as well as GPC, we would greatly appreciate it if you would fill out the enclosed questionnaire and return it to the Church. Remember: Reaching out and extending our blessings beyond our own lives is an intrinsic part of Presbyterian stewardship. As we embrace our material blessings, we must also accept the responsibility of God's gifts to us. When you make a gift, you are sharing your blessings with others close to home and around the world. Your gift will make GPC stronger, more receptive, and responsive to the needs of generations of GPC members to come.
