

You are cordially invited to

An Evening of Music for Mission

Saturday, January 28, 2012

7:00 – 10:00 p.m.

*The Georgetown Room
Georgetown Presbyterian Church
3115 P Street NW
Washington DC 20007*

Kindly RSVP by January 6, as space is limited

Valet parking available

Please join your friends at **Georgetown Presbyterian Church** for this very special event – An Evening of Music for Mission! It will be an evening of fellowship, fun and philanthropy as we enjoy a spectacular performance by **Children of Uganda, Tour of Light** – savor a gourmet dinner, and have the chance to bid on a variety of enticing silent auction items. The best part is that the net proceeds will help children in need. The following two organizations have been selected to receive the funds raised:

- ♪ **Bright Beginnings** (www.brightbeginningsinc.org) provides quality childcare for homeless families in Washington DC. It offers children a safe, nurturing educational environment, prepares children to enter kindergarten ready to learn, and supports homeless parents to stabilize their lives and become self-sufficient.

- ♪ **Children of Uganda** (www.childrenofuganda.org) provides education and care to hundreds of orphans and vulnerable children in Uganda whose lives have been impacted by AIDS, extreme poverty, or other factors such as civil unrest. GPC has worked with COU since its inception in 1996, and we currently sponsor two COU children, Bob and Jane.

Regular tickets are priced at \$60 per person to include:

- ♪ Performance by Children of Uganda Tour of Light
- ♪ Silent auction with everything from vacation get-aways to sports and opera tickets
- ♪ Gourmet catered dinner with wine

Sponsors' tickets are also available at \$150 per person, which in addition to the above performance, auction and dinner, also includes a pre-event champagne reception in the elegant home of David and Nancy Roll (3028 P Street NW).

Space is limited. Please reply by January 6.
Valet parking will be available in front of the church for \$15.
Cocktail attire is welcome but not required.
